Purpose

RESULTS DELIVERED

ClassPass connects you to thousands of effective workouts, expert instructors and inspiring spaces, guaranteeing your workouts stay exciting, and dare we say it, fun.

EXPERIENCES

To motivate people to live inspired lives every day by introducing and seamlessly connecting them to soul-nurturing experiences.

EXPERT INSTRUCTORS

Instructors are professionally trained in the activities they teach. Small class sizes allow for personalized instruction, so if you're recovering from an injury or training for a race, every workout can be adjusted for you.

Classpass FAQ's

- Why choose Classpass?

Specialized. Customized. Effective. Studio fitness is the best way to work out. Small group classes focus on specific activities or parts of the body and are taught by best-in-class instructors. You'll be coached through a programmed workout designed to maximize efficiency and deliver results, all while being supported and motivated by a group. It's working out, taken to the next level.
